

Dear Kat Cannon-MacMartin,

It gives us great pleasure to inform you that your poster submission titled “The effects of k-opt algorithms on the efficiency of the Snakes and Ladders heuristic for finding Hamiltonian cycles in graphs” has been accepted for display at the 25th annual conference of the Consortium for Computing Sciences in Colleges, Northeastern Region (CCSCNE), which was scheduled to be held from April 17 – 18, 2020 at Ramapo College of New Jersey, Mahwah, NJ.

To complete the submission process (so we can publish your abstract):

- Submit your final poster abstract by **March 25, 2020**. You may do this if you feel the need to make changes to the version we accepted. This is the version that will be printed, so we recommend that you proofread your abstract carefully, and resubmit it if you wish to make any changes.
- Submit the final poster abstract as a Word (.doc or .docx) file, using the templates available at: <http://ccscne.org/authors/student-posters/>. **PDF, LaTeX AND FILES IN ANY SUCH OTHER FORMATS ARE NOT ACCEPTABLE.**
- Ensure the text of the final poster abstract (**INCLUDING REFERENCES AND ACKNOWLEDGEMENTS**) is limited to a **MAXIMUM OF 300 WORDS** (no exceptions). The text of this abstract is expected to summarize the nature of the project, and also clearly state the poster author’s contribution to the project.
- Re-submit your final poster abstract by sending the Word (.doc or .docx) file as an email attachment to ccscne-student-posters@googlegroups.com. Please be **SURE** to mention, in the **SUBJECT LINE** of your email, the poster number **SENT TO YOU IN THE FIRST E-MAIL ACKNOWLEDGMENT YOU RECEIVED AFTER SUBMISSION**. You should be sure to note this number carefully.

If any of these requirements are not met in your final poster abstract submission, your abstract will not be published in the companion volume to the conference proceedings. If you have any further questions or concerns, please e-mail ccscne-student-posters@googlegroups.com.

Congratulations and thank you for participating in CCSCNE.

Sincerely,

Alice Fischer, Aparna Mahadev, Liberty Page, Sandeep Mitra and Stefan Christov
